

«SWI plus» is the SWI swissinfo.ch service for the Swiss abroad.

Briefing on Switzerland - the SWI swissinfo.ch app "SWI plus" is available in four languages. The focus is on a daily briefing for the Fifth Switzerland with the most relevant news of the day. Swiss topicality with a special focus on the respective language area together - compact, informative and on schedule at 5 pm.

With the "SWI plus" app, SWI swissinfo.ch provides the Swiss abroad with the most useful information and surprising stories from the Swiss media world. Our journalists keep an eye on what is happening in Switzerland and summarise the relevant information in a compact daily briefing. This is service and at the same time also dialogue and networking: The app brings the Fifth Switzerland closer together. In the question and answer section, users can discuss, debate and network. No matter where they are in the world, questions find answers in the community.

The "SWI plus" app was launched in German and French in 2019. It is now also available to our Italian- and English-speaking Swiss abroad, as well as to interested parties, free of charge for downloading from the app stores (iOS and Android).

SWI swissinfo.ch explains Switzerland to an international audience and reports in a journalistic, in-depth and multimedia way. SRG's international online medium publishes online in ten languages and also with a special focus on the Fifth Switzerland.
