#### Tipperary Dance – Clonmel Junction Arts Festival

29-30 June 2024

**Tipperary Dance** performance season continues with two productions at the Clonmel Junction Arts Festival: *Turnstile* on Saturday, 29<sup>th</sup> June, and *Tempo Rubato* on Sunday, 30<sup>th</sup> June, both at STAC Chapel in Clonmel.

#### About Turnstile

*Turnstile* dancers Robyn Byrne and Eleni Roberts Kazouri perform within a glass cabinet and video projections, accompanied by music derived from forensic reports about Bloody Sunday.

These elements are woven together by directors **Jazmin Chiodi** and **Alexandre Iseli** to create a reflection on our ability to find resilience after violence, moving from historic memory to imagine present-day possibilities

#### About Tempo Rubato

Performed by Robyn Byrne, Rocio Dominguez, both former associate artists at Tipperary Dance, and Eleni Roberts Kazouri, *Tempo Rubato* is a search for sanity in a world whose rhythms – social, environmental, geopolitical - are being massively and multiply disrupted.

With the three female dancers at its heart, the work develops a common flow and pulse, creating a shared venture that doesn't sacrifice individuality
