Documents in Arabic and Slovak need to be translated in an official Swiss language (German, French and Italian) or in English. The Slovak document is to be provided as original; however, a copy of the Arabic document is sufficient (to be provided with the application).

Do not send any document to the Embassy directly, unless you have been specifically asked to do so.

The Embassy reserves the right to:

- Request additional documents.
- Submit the application to the authorities in Switzerland or the Slovak Republic.
- Summon up the applicant for an interview or the collection of biometric data (e.g. fingerprints – in case they cannot be copied).
- Modify this information without further notice.

The only partner of the Embassy is VFS Global (phone number: +216 70 145 758 / email: info.chtn@vfsline.com). No other commercial relationship is maintained with any agency/company.

The visa application needs to be deposited at least 15 days prior to the planned departure date, but not earlier than 6 months ahead of the planned visit. The applicant is solely responsible to take the necessary precautions in order to respect these deadlines. It is strongly recommended to fix an appointment well in advance. If you wish to submit your application directly at the Swiss Embassy in Tunis you may get the relevant appointment through VFS Global. Please be informed that the waiting lists may be considerably longer than those at VFS Global because of the limited resources of the Embassy.

The processing time of Schengen visa application is between 8 to 15 working days. These are only approximate indications and processing time may vary according to the circumstances.

No information regarding the status of a Schengen visa application will be given by the Swiss Embassy before the end of the above mentioned processing time.

Even the submission of all the listed documents does not guarantee the issue of the requested visa.
