The position is full-time (40 hours per week) for 6 months with a remuneration of USD 3'350 (US Dollars) per month (gross salary). Timeframe: **March 1 – August 31, 2024.**

Tasks:

- Support the Consul General's activities in the field of tech diplomacy, digital foreign policy, and cyber security.
- Liaise with relevant actors (tech firms, innovation leaders, think tanks, NGOs, government officials) in order to exchange information and create partnerships.
- Ensure regular reporting on key developments in Silicon Valley to relevant stakeholders in Switzerland.
- Cooperate with Swiss and American partners to organize events in the fields of Tech Diplomacy, Digital Diplomacy and related subjects.
- Elaborate concepts for future projects in the field of technology.
- Support the work of the Public Diplomacy section in key projects and events.
- Support the cultural activities of the Consulate General.

Requested profile:

- Swiss citizenship or permanent legal resident status in Switzerland.
- Fluency and interest in technologies of the future, the digital world, cybersecurity, social media, and innovation in general.
- Interest in new forms of diplomacy, interdisciplinary work, and new cooperation schemes across sectors.
- Interest and experience in event management (from preparation to follow-up).
- Excellent written and spoken communication skills in English.
- Native speaker of one of the official languages of Switzerland.
- Enthusiasm towards creative tasks and team work.
- Not more than 12 months of cumulative internship experience since graduation.
- Recently completed Bachelor's or Master's degree in Switzerland.

All applicants must submit the following documents in electronic format:

- Curriculum vitae;
- Motivation letter addressing the profile explained above (in English);
- Copy of university degree or transcripts;
- Letters of recommendation.
