

# Beyond Health – Multisectoral Approaches in the Era of the SDGs

**Come and join in the conversation!** The implications for multisectoral collaborations in the era of the 2030 Sustainable Development Agenda will be critically discussed and the presenters will share experiences from multisectoral collaborations to date based on examples of malaria, HIV/AIDS, and Providing for Health (P4H).

**Tuesday, 19 April 2016 – 11.00-12.30 – Room 15 (Level -1)**

- Frank Pega, WHO
- Pradeep Kakkattil, UNAIDS
- Jo Lines, London School of Hygiene and Tropical Medicine
- Claude Meyer, P4H
- Ilona Kickbusch, Graduate Institute Geneva (Moderator)
