### Remarks:

Minimum coverage for below expense has to be EUR 30.000 or equivalent to KRW 40 million each:

- accident medical expense
- sickness (disease) medical expense
- medical repatriation or evacuation (mostly covered under special expense)

The insurance must be **valid in all Schengen states or worldwide** for the entire duration of the planned journey.

Insurance policies from other insurance companies can be accepted provided the company has a branch in Korea or in Switzerland and the policy is written in English or a Swiss national language.

**A mention in this list offers no guarantee of success. The Embassy of Switzerland in Seoul declines all liabilities relating to the use of the present list.**
